**Present: Mr.S.C.Jindal for the petitioner.**

**Ms.Hima Kohli for the respondent/NDMC.**

**CASE NUMBER : CW No.7193/2001**

**This is a case, where petitioners had been sanctioned initially a load of 0.78 KW, which was enhanced by 3.5 KW. Petitioners' case is that their tenant is a multi national company, engaged in courier services having a computerised office, for which they need effective air conditioning. Petitioner has given justification for a sanction of 13 KW. It appears that the load is being denied simply on the ground allegedly not furnishing the exact trade requirement. Learned counsel for the petitioner submits that the petitioner's activity is commercial and not industrial. Issue notice to the respondents to show cause as to why rule nisi be not issued, returnable on 12.12.2001.**

**Ms.Hima Kohli accepts notice on behalf of respondent/NDMC. Counter affidavit be filed before the next date.**

**The concerned officer, who has raised these objections be present in Court on the next date together with the policy or internal circular, based on which the requirement of specific trade was being sought by him.**
